# Non-Destructive Testing Services

Loyalty. Safety. Quality. Integrity.

[www.PSSINDT.com](http://www.PSSINDT.com)

**OUR MISSION** Building a Powerful Professional Team of Loyal Inspection Personnel Providing Exceptional Customer Services in Safety, Quality, and Integrity.

## Safety First:

*The PSSINDT Safety program consists of the following:*

- PSSI Occupational Safety Manual
- ISNET World Certified
- 150,000+ man hours without any lost time injuries between 2011–2014
- Daily “Tail-Gate” Safety Meetings
- Daily and weekly job audits by our Senior Management Team
- JHA program – Although we generally complete our clients JHA’s and comply with their auditing program
- Quarterly meetings with President and Senior Management team to review performance

## Quality Assurance:

PSSI NDT is committed to having the best quality assurance program and has therefore hired the Summit Group under the leadership and direction of Charles Hellier former founder and President of Hellier Training Center to oversee our program.

**LOYALTY is the  
PSSI NDT Difference.**

**OIL & GAS**

**AEROSPACE**

**DEFENSE**

## Building Our Team—OJT

**PSSI NDT** has an established on the Job Training (OJT) program for their NDT personnel. Each employee will be required to complete this program prior to being assigned to projects.

### ***The PSSINDT OJT Program consist of the following:***

- Safety
- Quality
- JHA Training
- Communications Training
- Documentation Training
- Report Writing
- PPE training
- Equipment Calibrations and Operations
- PSSI NDT Procedure Training

## Loyalty Program:

We build Loyalty with our customers by providing properly trained & qualified personnel, and the right equipment to perform each task.

We build Loyalty with our employees by investing in their future—providing real career paths with continuing education credits and national certifications in API, CWI, ACCP, and ASNT. We offer a Safety Culture and a Quality Culture environment in which all our employees operate.
